**Presidency University**

We are pleased to announce that the Editorial Board is going to publish the “**Presidency University Journal: Part B, Vol. 4, 2020**”, a yearly publication of School of Business and School of Liberal Arts and Social Sciences, Presidency University. Authors are cordially requested to submit their articles and/or book reviews to the editor of the journal by **January 15, 2020**. The authors are also requested to follow the guidelines as mentioned as call for paper notice.

## **Guidelines for Submission: Presidency University Journal (PUJ) Engineering PART-B**

### **Aims and Scope**

Presidency University Journal is a publication of the Presidency University in Bangladesh. This printed journal publishes original, empirical and innovative materials in functional and support areas of multidisciplinary subjects such as Mathematics, Physics, Chemistry, Computer Science and Engineering, Civil Engineering, Electrical and Electronic Engineering and any branch of Engineering and technology. It is primarily devoted to the extension and further development and dissemination of knowledge in the field of education for the benefit of academics as well as practicing enterprise managers and entrepreneurs. The Journal has obtained International Standard Serial Number (ISSN) which is 2224-7610. PUJ is a blind refereed journal. This journal will also publish in Online for different database indexing.

### **Manuscript Preparation Guideline**

1. Manuscript submitted for publication must be original. If a paper contains material reproduced from other sources, it must be acknowledged or necessary permission should be submitted with the paper.
2. The manuscript should be in one-column format, including figures and tables in appropriate location. However in special cases through e-mail article can also be submitted. Papers submitted for consideration must be typed in **A4 size offset paper**. In preparing manuscript, **Time News Roman** with **11 fonts** must be used. The manuscripts should be typed, single-spaced throughout

- with wide margins, printed on one side of the paper only.
3. If you are using MS *Word*, use the Microsoft Equation Editor for equations in your paper. Equations should be referenced by consecutive numbering throughout the text, on the right hand side of the page, using (1), (2) etc.
  4. In case figures and tables, you need to position figures and tables at the appropriate location of the manuscript. Place **Fig 1.** captions below the figures; place **Table 1:** titles above the tables. If your figure has two parts, include the labels “(a)” and “(b)” as part of the artwork. Please verify that the figures and tables you mention in the text actually exist.
  5. Normally, papers submitted for consideration should be maximum 12 typed pages (including tables, figures, annexes and references etc.).
  6. The paper should have a title page containing the title of the paper in bold format, name of the author, mailing address, telephone number and e-mail address. In case of joint authorship, correspondence will be made to the first name author only unless otherwise indicated.
  7. The first page of the submitted paper should contain abstract of the paper not exceeding 200 words.
  8. The paper should be divided into sections and subsections to aid smooth reading. Section headings and subsections should be in the **bold format**. *Footnotes should be avoided as far as possible.*
  9. For the reference please use APA or MLA or Vancouver format. Reference number should be properly placed in manuscript accordingly. The format should be [1], [1-3], [1-3, 6-7]. Author might be use Endnote software.

Please submit your manuscript to following email address:

[journal.science@pu.edu.bd](mailto:journal.science@pu.edu.bd)

The copyright of the paper will be reserved by Presidency University once the article is accepted for publication. You are requested to circulate this letter among your colleagues for wider participation.
